WELCOME TO UMHLANGA!

A message from the Chairman of Umhlanga Tourism, Peter Rose

Hello and welcome to the sixth edition of the Umhlanga & Surrounds Visitors' Guide. I hope you enjoy all Umhlanga has to offer and leave richer for your visit.

'Umhlanga' means 'Place of Reeds' in the Zulu language, so 'Umhlanga Rocks' roughly translates to 'Place of reeds and rocks'. A visit to the Umhlanga beach or our Lagoon Nature Reserve will show you why this name is appropriate.

Umhlanga is the most popular beach resort holiday destination on the east coast of South Africa, located just 16km north of the busy port city of Durban. In recent years Umhlanga has grown from a sleepy little village into the most sought after holiday destination anywhere in southern Africa.

We also have the new King Shaka International Airport on our doorstep, just slightly inland from the small coastal hamlet of La Mercy and approximately 12km along the N2 to Umhlanga. This new airport can handle the largest aircraft in existence today, and has a passenger capacity of 7.5 million per annum that can be expanded to over 35 million in coming years. So domestic and international tourism into this region is guaranteed for the foreseeable future.

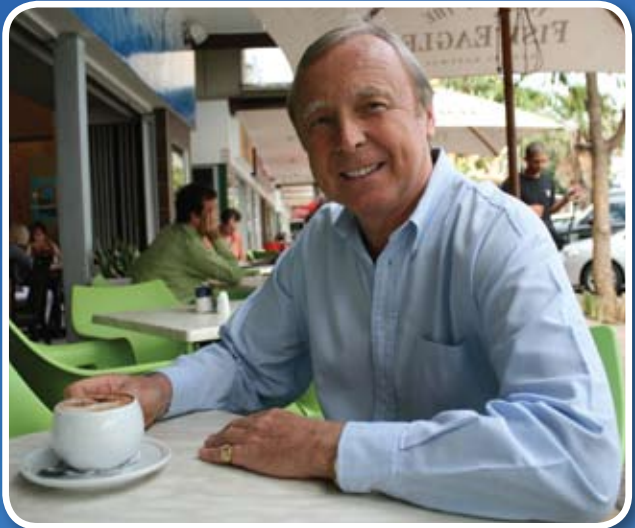

And it's no surprise why people flock here in such large numbers. Long stretches of idyllic beaches lined with palm trees and barrelling waves coming off the warm Indian ocean, all combined with a rich cultural history of east meets west meets Africa. Mix all of this with excellent restaurants, well priced and varied accommodation, top class conference facilities and world-class shopping, and there is something for everyone in Umhlanga. In fact, there is so much to do that you're bound to return at the first opportunity!

Enjoy your stay, and I hope we see you again very soon!

Hamba kahle (Go well),

Peter Rose,
Chairman, Umhlanga Tourism

SUNSHINE, BEACHES & OCEAN

Umhlanga Rocks is perched on the edge of the Indian Ocean, and its beaches offer excellent swimming and surfing within walking distance of the Umhlanga village centre.

There are close to 300 days of sunshine a year, and the water is warm enough to swim throughout summer and winter. Umhlanga's beaches are protected by shark nets and well-trained professional lifeguards are stationed at the swimming beaches along the Umhlanga coastline. The 2.7km O'Connor Promenade was recently upgraded, and runs from Durban View Park to Umhlanga Lagoon Nature Reserve. The promenade is a favourite for walkers and runners, and is dotted with restaurants, takeaways, ablution facilities and ice cream sellers. The boat launch site at Granny's Pool allows visitors to get out onto the

A quiet stroll along the O'Connor Promenade, which runs the length of the Umhlanga coastline

water to fish or dolphin/whale watch.

To the north, Umdloti is set against green hills and lush vegetation. It has some of the best beaches in the area, with a rock enclosed tidal pool and a wide lagoon. There is excellent fishing off the rocks and safe swimming. Further along the coast are Westbrook and Tongaat. These beaches are quiet and offer great swimming and surfing, as well as a launching area for boats.

Bottlenose dolphins can be spotted all year round

Fishing off Umhlanga has its rewards

SNORKELLING AND DIVING

There are a few good dive spots right off Umhlanga. The T-Barge, Lighthouse Reef, the Trawler of Fontao and Dolphin Reef are excellent dive spots, attracting everything from moray eels to tropical fish. The best diving conditions are to be found in the winter months.

One of the best snorkelling spots in the area is at the northern end of Umdloti's Beach Road. A line of rocks encloses an enormous tidal pool, home to large cowries, crayfish and a variety of tropical fish.

LEARN ALL ABOUT SHARKS

The KZN Sharks Board (KZNSB) in Umhlanga has a display hall with life-size replicas of sharks, fish and rays, and offers a 25-minute presentation on the work the KZNSB does and the importance of sharks in the marine ecosystem. You can also experience a 20-minute shark dissection, where you can learn about – and smell – the internal machinery of the ocean's fiercest predator. The KZNSB services shark nets, which provide protection against shark attacks at 38 localities.

The presentation and shark dissection is offered at 9am and 2pm Tuesdays to Thursdays and at 2pm on Sundays. R25/adult, R12/children (4-12) and senior citizens.

DOLPHIN AND WHALE WATCHING

The waters off Umhlanga are rich with sea life, particularly whales and dolphins. Pods of bottlenose dolphins can be seen breaching the water just beyond the breakers and surfing in the waves year-round, and from July to November each year, humpbacked whales and southern right whales can be seen all along the coast. Ocean Ventures launches a number of boat trips every day (weather dependant) from Granny's Pool, at Umhlanga's main beach. After a short safety briefing, climb aboard their specially-designed Rigid Inflatable Boat (we recommend you wear a swimming costume, as you're likely to get wet) and get comfortable, and hang on for a fast launch through the surf. The skipper is an expert in seeking out whales, dolphins, turtles and sea birds, all the while providing informative commentary.

UMHLANGA'S RICH HERITAGE

Garsons Expeditions offers a comprehensive daylong tour of the Inanda Heritage Route and other interesting sites in the Umhlanga area. Greg Garson has a deep passion for local history, and while he takes you on the route he will give you an oral account of the last 400 years of South Africa's history, providing context for the struggles and achievements of the local luminaries. By the end of the tour, you will know more about South Africa's history than most South Africans.

The first stop is King Shaka Museum at KwaDukuza (Stanger). Displays and exhibits thoroughly document the history of the people of southern Africa, from iron-age farming communities to the rise of the Zulu nation and the rule of Shaka, the most famous Zulu king. You can also visit Shaka's gravesite and a monument to him erected by Solomon kaDinuzulu, the Zulu king from 1913 to 1933.

Mahatma Gandhi established the Phoenix Settlement in 1904 after purchasing a farm from a local sugar cane farmer. He lived here for 21 years, and it's where he developed his philosophy of passive resistance, called Satyagraha. Gandhi's modest prefabricated home is now a museum dedicated to his life and teachings.

It's a short drive to the Ohlange Institute, a school founded in 1900 by John L Dube, first president of the African National Congress. Visitors to the Institute can see where Nelson Mandela cast his vote

in the first-ever democratic elections in 1994, find out more about Dube in the museum dedicated to his life and legacy, and pay their respects to this great man at his gravesite and monument.

The nearby Inanda Seminary, established in 1869, was the first secondary school founded exclusively for African girls in southern Africa. The beautiful and highly secure educational environment is a verdant oasis in the sprawling Inanda Township. The active campus educates close to four hundred students amongst ten historic buildings, the oldest being Rev. Daniel Lindley's mission house, built in 1858. Many of South Africa's most powerful and influential women in government, business and the non-profit world received their education at this school during the height of Apartheid. The resident school historian is on call to welcome and host visitors.

TEMPLES AND MOSQUES

There are a number of interesting temples and mosques in the area. Tongaat is home to the Brake Village Hindu Temple (right) and the Vishwaroop Temple. The Juggernath Puri Temple is a national monument and was built in 1920 by the late Pandit Sirikishan Maharaj in North Indian fashion. The Sri Siva Soobramaniam Temple hosts one of the country's largest Kavadi Festivals.

Hazelmere Dam

Enjoy a ramble through the Hawaan Forest Reserve

ENJOY THE BEAUTY OF NATURE

Despite Umhlanga's growth boom in the last twenty years, it's still home to some pristine natural areas. The O'Connor Promenade ends where the Umhlanga Lagoon Nature Reserve Trail begins. There is a well-marked path which winds through pretty coastal forest on boardwalks that cross the Ohlange River on its way to the lagoon, buttressed by dunes. Benches and picnic spots are dotted throughout, and you can follow the trail to reach the beach and the lagoon, and the remains of a Stone Age seashell midden can also be found to the north of the lagoon.

The adjacent Hawaan Forest is inland of Umhlanga Lagoon Nature Reserve. This indigenous woodland has remained in its natural state for centuries, and is characterised by important species of trees with tropical attributes, and many small animals. Entry is restricted so phone ahead to book a guided walk.

Hazelmere Dam and Resort, a few kilometres inland from Verulam, is a favourite watersport destination. There are also picnic spots and game such as zebra and wildebeest can be seen. Dudley Pringle Dam, north of Umdloti is another excellent dam and has prolific birdlife.

GATEWAY INTO AFRICA

Umhlanga is just a short drive away from the new King Shaka International Airport, and a few hours' drive from some of South Africa's most beautiful wilderness areas, making Umhlanga a gateway into Africa.

Safaris for Africa is based in Umhlanga and has been in the safari business for ten years. They organise overland safaris to some of Africa's most beautiful untouched places. Whether you want to witness the great migration of wildebeest and zebra in Tanzania, interact with gorillas in Uganda or explore the mysterious Skeleton Coast in Namibia, Safaris for Africa can organise the overland safari of a lifetime and an authentic African experience. They also offer a range of day trips in and around KwaZulu-Natal, tailor-made overnight packages, helicopter flips, deep sea fishing charters, scuba diving trips and dolphin viewing. Visit their offices in the Protea Mall on Chartwell Drive in Umhlanga and chat to Sue Garson (above), who will find a package to suit the African experience you want to have.

The viewsite above the Lake Victoria Wetlands

*(barn swallow photo courtesy
www.barnswallow.co.za)*

WONDERFUL BIRDING SPECTACLE

In mid-October every year, millions of Barn Swallows arrive in KwaZulu-Natal from Europe and winter here before flying back in mid-April. Every evening just before sunset, the swallows fly in from all directions and gather together into a giant, swirling flock over the Lake Victoria Wetlands at Mount Moreland near Umdloti. As the sun sets, the entire flock drops almost as one into the reed bed to roost for the night.

There is an elevated viewing site over the reed beds which is accessible to visitors every day – try get there an hour or so before sunset. To complete the experience, bring a chair, snacks and

drinks and settle in with some binoculars.

Entrance is free, though a R10 donation per car is requested. This goes towards the ongoing protection of the birds and upkeep of the viewing site. To get to the viewing site, take the Umdloti/Verulam exit from the N2 and turn left towards Verulam. After about 1km, turn right onto a dirt road and follow the signs for about 4km to Mount Moreland village. For more information, call Hillary Vickers on 031 568 1671 or visit www.barnswallow.co.za.

Horse trails through the Umdlotti hills provide spectacular views

NON STOP ADVENTURE

One of the best ways to enjoy the quiet scenery of the north coast is by horseback. Umdlotti Beach Stables offer riding lessons, outrides and top quality stabling facilities. Beginners and advanced riders are welcome, and owner Patrice Hardy has a holistic approach to horse-riding lessons, helping students understand and connect with their horses. He'll lead you around the paddock, giving instructions on posture and technique. Once you've gathered the basic skills, you can go on an outride through the sugar cane fields and scattered indigenous bush overlooking Umdlotti. For advanced riders there's the option of going down to the Umdlotti River or to the nature reserve at Umhlanga Lagoon.

Sea kayaking is a rapidly growing sport, and anglers often fish off paddle skis where they catch dorado and barracuda. The best shore angling spots are off the rocks at Umdlotti and La Mercy.

If you like exploring trails at speed, mountain biking, dirt biking and quad biking are all offered, from tours to day excursions to outrides. If you fancy a flip through the air, microlighting, helicopter flights and skydiving are all offered in the area.

TRENDY MOUNT EDGECOMBE

Mount Edgecombe is an upmarket suburb tucked away in the undulating hills just inland of Umhlanga. Visit Flanders Mall for exciting restaurants, shops and an art gallery. This vibrant little town offers two championship golf courses designed to USPGA specifications. Both courses are challenging but fair, and provide a very agreeable round of golf.

A round of golf at Mount Edgecombe Country Club

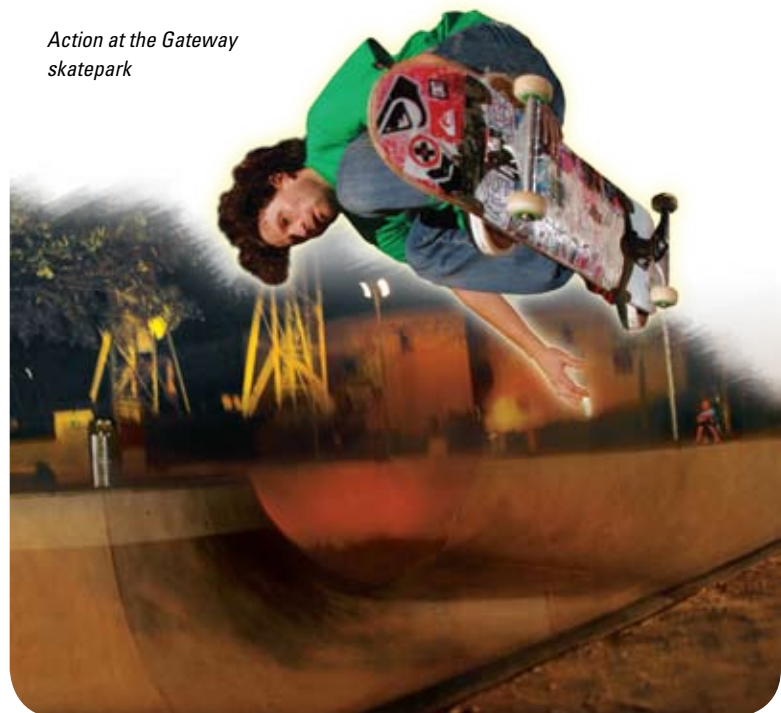

A perfect wave off Umhlanga main beach (photo courtesy Rich Images)

The Umhlanga area has some powerful waves, and the best surf spots are at Umhlanga main beach, Umdlotti and Westbrook. The waves at Umdlotti and Umhlanga are classic beach breaks which work on any size swell from two to six foot. Westbrook is a fickle right hander that breaks along a shelf of rocks. All

these spots work on light offshore winds, and conditions are best in winter (between April and August), especially in the early morning when the land breeze blows. There are loads of surf shops in the area where you can buy all the gear and find out about lessons for beginners. When the surf's not great, the Wave House at Gateway has standing waves suitable for newbies and advanced surfers.

GOING OUT, HAVING FUN

From pavement sellers and local crafts to boutique shopping and malls where everything is on offer, Umhlanga is a shopping Mecca. Gateway Theatre of Shopping is the biggest mall in the southern hemisphere, and over two million people visit it every month, thanks to a wide range of shops, restaurants for every taste and fun activities, such as a climbing rock, skatepark, funfair and cinemas. La Lucia Mall is a lovely suburban mall with a relaxed atmosphere and big brand stores.

An array of local arts and crafts are available from shops, markets and pavement sellers in the area. Zulu crafters are especially adept in beadwork, weaving, clay pots and wooden animal carvings. Many local crafts recycle used materials, such as plastic bags, oil tins and beer cans, turning waste into art.

Umhlanga has some excellent restaurants, from takeaways selling local delicacies, to fine dining in beautiful settings at the area's

top hotels. Gateway Theatre of Shopping and Sibaya Casino both have extensive food courts to cater to every taste.

Sibaya Casino & Entertainment Kingdom is conveniently situated between Umhlanga and Umdloti and provides high class gambling and entertainment. Sibaya has over 1000 slot and 24 touch-bet roulette machines, as well as Roulette, Blackjack and Poker tables. There is also the iZulu Theatre, Krakatoa, for pulsating nightlife, and Mangwanani Sibaya, an excellent and luxurious day spa.
